FAMILY SUPPORT SERVICES

FAMILY SUPPORT SERVICES

Family support provides resources for individuals with disabilities and the family members who care for them. Services are offered throughout the local area and at certified sites. OPWDD eligible children, teens, and adults residing in Madison County have the opportunity to socialize with peers, while experiencing local activities within the Central New York community. The Arc offers four different grant programs: bowling grant, sports grant, OnCenter Entertainment grant, and kids enrichment grant.

ENRICHMENT GRANTS

Adults with disabilities are offered the opportunity to be part of a team. Participants join a 10-week league from February to April. Lane fees, supervision, and limited transportation is provided.

Adults and teens can attend a sporting event of their choice, including Syracuse Crunch, Syracuse Mets, and Syracuse University Football. Admission, supervision, and transportation included.

Adults are offered one annual opportunity of their choice to attend an event at The OnCenter in Syracuse, such as sports, concerts, Disney on Ice, Monster Trucks, WWE, musicals, and more. The length of events may vary. Organization, supervision, admission, and transportation are provided.

Children ages 5-17 are offered opportunities to attend community activities, such as fairs, zoos, beaches, picnics, and parks. Supervision, admission fees, food, and transportation are included.
